Bl. Junipero Serra Feastday July 1

Miguel Jose Serra was born on the island of Majorca on November 24, 1713, and took the name of Junipero when in 1730, he entered the Franciscan Order. Ordained in 1737, he taught philosophy and theology at the University of Padua until 1749.

At the age of thirty-seven, he landed in Mexico City on January 1, 1750, and spent the rest of his life working for the conversion of the peoples of the New World.

In 1768, Father Serra took over the missions of the Jesuits (who had been wrongly expelled by the government) in the Mexican province of Lower California and Upper California (modern day California). An indefatigable worker, Serra was in large part responsible for the foundation and spread of the Church on the West Coast of the United States when it was still mission territory.

He founded twenty-one missions and converted thousands of Indians. The converts were taught sound methods of agriculture, cattle raising, and arts and crafts.

Junipero was a dedicated religious and missionary. He was imbued with a penitential spirit and practiced austerity in sleep, eating, and other activities. On August 28, 1784, worn out by his apostolic labors, Father Serra was called to his eternal rest. He was beatified by Pope John Paul II on September 25, 1988. His statue, representing the state of California, is in National Statuary Hall. His feast day is July 1.

Summer Registration for RCIA.

What is RCIA?

The Rite of Christian Initiation of Adults (RCIA) is the process established for the universal Church for individuals to become Catholic and receive the sacraments of initiation — Baptism, Confirmation, and the Eucharist. This initiation process also involves a parish community experiencing a renewal in faith as it prepares and welcomes new members into the Church. The Rite speaks of conversion as a "spiritual journey." Centered on fostering a deep relationship with Jesus and the Church he founded, this journey takes place through distinct stages over a period of time suitable to bring about a thorough catechesis, significant experience of the parish community, and commitment to the liturgical and moral life of the Catholic faithful. The RCIA process is a restoration of the ancient catechumenate, arising within the first three centuries following the era of the apostles. It was the early Church's way of Christianizing the pagan Roman Empire. The Second Vatican Council called for the restoration and use of this venerable and powerful method of initiation for the worldwide Church.

Who is RCIA for?

1. Persons in need of Baptism.
2. Persons baptized in another Christian tradition who desire to become Catholic.
3. Persons baptized Catholic in need of First Communion and/or Confirmation.

En la turbulencia, Dios está a cargo. (Confianza en Dios).

Cuentan que en cierta ocasión viajaban a bordo de un avión un niño y una señora. El niño tranquilamente coloreaba su cuaderno de dibujos, la señora miraba unas revistas. De pronto, el avión entro en una turbulencia. Todos los pasajeros que viajaban en el avión se alarmaron, la señora guardo la revista y miró al niño que viajaba a su lado. Seguía coloreando su cuaderno. La situación empeoraba, la señora estaba cada vez más asustada, miró otra vez al niño que guía coloreando tranquilamente. La turbulencia pasó. La señora observó al niño y pensó que tal vez ni siquiera se dio cuenta de lo que había pasado. ¿Estás bien? le preguntó. A lo que el niño respondió; sí, sabía que nada iba a pasar.— Así que sabías lo que estaba pasando — Dime entonces porqué estabas tan tranquilo, porqué no sentiste miedo como los demás. — Sencillo — contestó el niño Mi papá es el piloto.

Moraleja...

Estás atravesando alguna turbulencia en tu vida?Cuál es tu reacción; temor, duda, desesperación. No importa que tan fuerte sea esa turbulencia. Confía y recuerda que Dios, nuestro Padre es nuestro piloto, el está a cargo, **CONFIA**.
