WHAT IS

THE GREAT ADVENTURE

The Great Adventure is a Catholic Bible learning system that makes the complex simple by teaching the story (the narrative) of the Bible. Every day, more and more people are encountering God's Word through the methods taught in The Great Adventure.

Jeff Cavins developed the Great Adventure in 1984 when he realized that most people, despite their strong faith, did not grasp the big picture of the Bible. Though they knew selected stories, they were not able to connect them into a full narrative. His answer was to identify the books of the Bible that tell the story from beginning to end. By reading just these 14 narrative books, a chronological story emerges.

From this idea grew the immensely popular Bible Timeline program, which teaches the story in a way that is easy to remember and helps people to continue reading Scripture on their own. The series provides a solid foundation for all other Bible reading and study.

The Great Adventure Catholic Bible study system provides related materials that include video DVDs, audio CDs, and workbooks. Also available are Live Seminars Hosted by Fr Michael Scherrey and a select team of assistants.
